Date: November 26, 2026 **CIR NO: RWS/11/26-27/CIR-062**

Subject: Procurement of Proper Winter Uniform

Dear Parents,

Greetings from RWS!

This is to inform you that wearing the prescribed winter uniform, as mentioned in the school Almanac, will be **mandatory from Monday onwards**.

Kindly ensure the following:

- Students must come to school in complete winter uniform, including the tie and I-card.
- Students should maintain proper grooming, including a neat haircut and properly trimmed nails.
- The **winter uniform is available now,** parents are requested to procure it well in advance to avoid any last-minute rush.
- Please ensure that your ward wears the complete prescribed uniform, whether it is the regular school uniform or the sports uniform, as applicable.
- Students must wear the shoes prescribed for their respective uniforms. Shoes of any other colour will not be permitted.
- In case of any medical condition requiring an exemption from the prescribed uniform, parents must submit a doctor's prescription for special permission from the school.

Your cooperation in ensuring compliance with the school uniform guidelines is highly appreciated.

Regards,
RWS Team
