Summer Vacation allow students to shift their focus and complete other important tasks that they are not normally able to address during the school time. Having the time and space to catch up with the things that have been pushed aside or that might require more focus and time is equally beneficial and rewarding, We wish you all a safe and fun summer! Happy Summer Vacation!

1. Tap the talent of your child and let them be creative.
2. Learning doesn't stop when school is out. This rule came out of desperation.
3. Encourage your child to communicate in English. Fix one hour in a day when you communicate with your child only in English.
4. Allow your child to play outdoors and Spend at least half an hour a day with your child sharing day to day experiences.
5. Keep your children away from TV, Mobile phones, computers and other electronic gadgets.
6. Maintain proper timetable for the child for watching television, study time etc.

8. Get some story books with colourful pictures for your kids.
9. Use holiday homework as an opportunity to spend quality time together. Let your child take the lead and use his/her imagination, creativity and knowledge to do the assigned task.
10. Make his/her understand the importance of cleaning his/her room.
11. Develop self help skills : Let your child dress and feed on their own.
