Instruction for the students:

- Read the newspaper daily together to track current events and build global awareness.
- Have then read school lesson aloud to master perfect pronunciation and crush stage fear.
- Watch English and Hindi news channels together to sharpen listening and thinking skills.
- Flip through old family photo album and share funny, inspiring stories from your childhood.

- Encourage them to start every morning by greeting elders with warmth and respect.
- Beat the heat by swapping heavy, oily food for fresh fruits, crisp salads and lots of water.
- Charge up their daily meals with high protein foods like milk, pulses, soybean, nuts and cheese.
