 - 7. Herbivorous Fishes –**

A. Read the following passage and then answer the questions that follow:-

Saved by a Dolphin

Once there was a boy called Rahul who lived near the sea with his pet monkey Montu. One day Rahul called Montu, “Where are you, Montu?” Montu replied “I am with my monkey friends.”

Rahul told Montu that he was going on a trip in a boat and asked if he wanted to come along. The two of them set out in a boat. The weather was pleasant and they were enjoying themselves when suddenly there came a strong breeze and the boat began to shake and shudder. Montu got frightened and started crying out loudly, “ I want to go home!”Rahul tried to comfort him and asked him to hold on to the boat tightly.

The storm worsened and the little boat was being tossed around by the giant waves. The two friends held on for dear life and started yelling for help. Another huge wave came and toppled the boat, throwing Rahul and Montu into the churning sea. Just then a dolphin appeared. “Please don't be scared. Climb onto my back and I shall take you to the shore,” the dolphin said. Rahul found the dolphin very slippery. Somehow he managed to hold on to it .The dolphin swam across the sea and took them to the shore .The dolphin kept her promise.
